Ordering details:

These steps should be followed to place an order or receive a quote for printed non-standard terminal marker cards:

- Select blank marker card Cat No. in either horizontal or vertical orientation
- Specify the quantity of marker cards required
- Complete either option 1 or 2 for marking details
- Fax or email to nearest NHP branch for quotation
- NHP will enter this as WAGOSPECIAL – a form is required for each marker card.

OPTION 1: SEQUENTIAL MARKING

- If sequential numbers are required, specify the amount of marker tags in the sequence (e.g: "A-E" is 5 marker tags in sequence)
- Specify the sequence to be printed (e.g: B101 - B200)

OPTION 2: CUSTOM CARD

- Complete the blank marker card table on the following page in either horizontal or vertical orientation.
